

Did YOU go to college in New Jersey?

The Diocese of New Jersey is committed to finding new ways to support campus ministries at all colleges in our diocese. As part of this effort, we need to develop a list of Episcopal alumni who can be called upon as volunteers, advisors, contacts, and donors. Please help us in this critically important effort to build up Christ's church by filling out this card if you went to any college, graduate or professional school in the State of New Jersey.
