

**Addendum to
2011 Parochial Report
The Diocese of New Jersey**

Annual survey conducted by the Anti-Racism Team to identify the communities of color in each congregation of the Diocese of New Jersey.

Each Rector, Vicar or Priest-in-Charge in the Diocese is asked to please provide the Anti-Racism Team with their best estimate of the total number of Active Baptized Members in their congregation, at Year End 2011, which may be grouped as shown below. Other groups may be added to the list as necessary for a congregation. Charting these statistics will help the team to determine trends in our congregations.
